Application Materials Cover Sheet

AAS Program

Instructions

Please use this page as a cover sheet whenever you send us documents by mail. We highly encourage you to include all of your materials in one envelope whenever possible; this will speed the processing of your application and reduce the risk of mis-directed items. If you are unable to submit all requirements at one time, please send all outstanding items as soon as possible along with new copy(ies) of this form.

- If you apply online (preferred), most of your application is submitted as part of the online process. This form should be used only for documents that must be sent separately from your online application. Do not send copies of any forms or materials which you submitted through the online application.
- Official sealed transcripts should be sent with this cover sheet, if possible. If you have foreign credentials requiring translation and evaluation, refer to your application instructions for detailed information.
- If required, sealed recommendations may be included with your packet or sent directly to the Admission Office (or, if you are applying online, your recommenders may use the online system as well).
- If required, Standard Test Scores (TOEFL) should be sent to Parsons The New School for Design by the relevant organization. Our TOEFL school code is 2638.
